

Grow your Business through Innovation

Wednesday 12 July, 8.30am-12.30pm
The Maltings, Ship Lane, Ely, CB7 4BB

This free, interactive, workshop is designed to help established companies who are looking to introduce new products and services or explore the importance of innovation because:

- Innovation comes in a wide variety of forms giving every organisation the opportunity to be innovative
- Innovation opens up new product, service and market growth opportunities
- Failing to plan for innovation is planning to fail

Learn about the FREE support and advice available from ERDF fully funded schemes - Signpost2Grow and Innovate 2 Succeed (delivered by Exemplas). Find out what grant schemes can help your organisation innovate and grow.

Join us to be inspired by the successful innovation stories of two local businesses and take part in a fun, interactive and thought-provoking workshop to help support your organisation's innovation and growth ambitions.

"I'd recommend this lively event to any business that has plans to grow. It's inspiring to hear about business success stories and useful to find out what help is available locally to support business growth."

**Mark Read, Chairman, Ely Chamber of Commerce
and Managing Director, Whizzle**

Cost: FREE to attend.

Places must be booked in advance as spaces are limited.
